MEMORANDUM FOR: Mr. Colby

SUBJECT : Coping with the Information Handling Problem

1. Attached for your consideration is a memorandum, subject as above, which proposes an approach to handling that I consider to be a truly major problem which we must shortly face up to.

2. The DDS&T, DDI, DDO and DDM&S have equities in this, and their views on the attached draft are being sought.

3. I am not proposing any formal action on your part with respect to the attached memorandum at this time, but I would appreciate any views you have which would be useful in our further development of the proposal.

MEMORANDUM FOR: The Director of Central Intelligence

SUBJECT : Coping with the Intelligence Information  
Handling Problem

1. There currently exists within the Intelligence Community a melange of concepts, proposals and uncoordinated actions concerning various aspects of the problem of intelligence information handling -- the dissemination and display of collected and processed data -- which converge into a very major, general issue calling for immediate action.

2. Currently involved in this situation are:
